

Campus Visit Notes

College Name

Date of Visit

Address (City / State • Province • Region / Country)

Briefly list what you did on the visit

(campus tour, group information session, persons spoken to, etc.)

Other facts I want to remember about this college

Academic Factors

Could I imagine myself learning and thriving academically here? Why or why not? Does this seem like a place where I would be excited to learn? Why or why not?

General Impressions

When thinking about a good fit college for me, list the positives of this college. Then list the negatives. Then list any other thoughts or observations.

Student Life Factors

What did I notice about student life? Think about the students, the atmosphere, traditions, activities, residence halls, conversations, energy, and overall campus culture. What were the biggest positives? What concerns, if any, did I notice?

Campus Facilities

My comments about the campus, residential halls, and other facilities. Was there anything I especially liked or disliked?

My overall assessment of how well this college fits me

_____ I could not picture myself here.

_____ I had trouble imagining myself here.

_____ I could see myself here.

_____ I felt comfortable here.

_____ I felt I belonged here.
